Entry Level: No

Clinical BSA-120003W4

Description
The Business Systems Analyst key role involves the ability to analyze and translate business requirements to meet specific project needs. The BSA examines the existing business model, (processes and objectives) working with various levels of end users in the company to create the logical specifications for software/hardware systems that will provide a solution for the needs of moderate to complex clinical/business problems. The Business Systems Analyst performs the research necessary to create functional documents which will ensure that clinical/business application systems can be effectively developed and implemented to meet organizational needs.

Qualifications
1. Bachelor’s Degree in Business or Information Systems required or equivalent related work experience.
2. Minimum seven (7) years experience as a Registered Nurse.
3. Minimum of two (2) years experience in process re-engineering.
4. Home health or Hospice experience preferred.
5. Strong knowledge and experience of business unit operations or Amedisys systems usage within a specific business unit preferred.
6. Six Sigma Green Belt or CBAP certification preferred.
7. Knowledge and experience with the DMAIC framework preferred.
8. In-depth experience with process re-design methods and tools.
9. Experience with data analysis.
10. Advanced skills with Microsoft Visio, Simulation (Prototype applications), Microsoft Outlook, Document Management Systems (Sharepoint, TFS 2010)
11. Ability to independently lead process improvement projects.
12. Strong communication and analytical skills.
13. Ability to easily adapt to rapidly changing environment.
15. Ability to work well independently and on a team.
16. Excellent oral and communication skills and be able to develop a positive working relationship with assigned stakeholder.
17. Ability to present information effectively.
18. Demonstrates knowledge of Federal/State rules and regulations, accreditation standards, and other regulatory requirements governing home care.
19. Stays abreast of regulatory changes impacting industry.

All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, age, pregnancy, marital status, national origin, citizenship status, disability, military status, genetic predisposition or carrier status or any other legally protected characteristic.

About Amedisys

Why Amedisys?

Amedisys' philosophy, "Taking care of your loved ones as we would our own," has guided our growth into one of the nation’s leading home health and hospice care organizations. With Amedisys, you’ll be part of a culture focused on delivering the care that’s best for our patients, whether that is home-based recovery and rehabilitation after an operation, care empowering them to manage a chronic disease, palliative care for those with a terminal illness, or hospice care at the end of life.

The health care industry is changing; at Amedisys we’re developing a new model of care that not only reduces preventable hospital readmissions and saves money, but provides convenience, compassion and customized service for every patient. We believe we can do that by focusing on quality care, improving technology and efficiency, and hiring employees who care not just with their hands and head, but also with their heart.

Our people are our business; Amedisys invests in you throughout your career with industry-leading educational benefits, including free clinical continuing education and tuition assistance. And our career ladders program lets you map out your professional development and advancement opportunities, helping you build a career, not just a job.

We offer competitive salaries and one of the best benefit packages in the industry:
- 401 (K) plan with employer-matching contribution available for all employees
- Health, dental, vision insurance
- Flexible spending accounts and wellness discount program
- Paid time off and 8 paid holidays
- Employee Stock Purchase Plan available to full and part-time employees
- Employee Assistance Program
- Tuition Reimbursement Program
The decision to join the Amedisys team is a decision that is rewarded on a daily basis by the difference we make in the lives of our patients and their families.
